*Voor of groating growing and Cross	
*Year of greeting, growing and Green	
*We greeted Rev Marian and Ministerial Intern Amanda Hays and greeted our future with a shared vision and mission.	
*We grew in our partnership governance with our professional and volunteer staff. *We also grew in our Wee Worship and continue to grow with sanctuary. *We are thankful that we have been successful with our green and growing campaign.	
*Next year we will be creating a strategic plan through a relatively slow process. There will be "big" question town halls. The board will not make decisions at these town hall meetings. They are conversations for sharing and learning about each other.	
*See the annual report for more details	
Budget Report - Jeff Boughton, Treasurer	
*Comparison of where we were 5 years ago in 2014	
*The revenue has not changed much but the expenses have increased in line with the	
consumer price index. *The revenues are not keeping up with the increase.	
*The budget gap is negative 26,000 at the end of June but should lessen as the year goes	11:45
on. *The Acorn program will be paying 45,000 that will help get us out of debt. The payment	(15 min)
will come in the next couple of years.
