Policy: Church spaces during the 10:00 a.m. to 11:00 hour on Sundays are to be reserved for the Sunday School for planning and setting-up purposes.

Rationale or Reference: Because of limited space, church members are asked not to plan committee meetings or other non-Sunday school activities at the church between the two services that will involve the reservation of space.

Procedures: The Exceptions are: Choir rehearsal in the Worship Center, Discovery service in Slowter Lounge, Sunday School teacher gatherings, and Fellowship Hour following the early service in Fellowship Hall.
