---

If you are interested in the next steps to become a member of First Unitarian Universalist Church of Columbus you are cordially invited to register and participate in the next **Path to Membership** class. It is designed for newcomers and is always recommended before deciding to become a Church member. Your participation in the class does not obligate you to join our church.

**The classes are held on Saturdays. Sign up at the Visitors stand at church.**

The Path to Membership class will acquaint you with our church and our faith before you consider a commitment to the six responsibilities of membership in a Unitarian Universalist church:

1. Attend church regularly
2. Work on your own spiritual development
3. Be involved in service to others
4. Be involved in service within the Church
5. Connect to the wider Unitarian Universalist movement
6. Pledge and make a meaningful financial contribution

*Together, we mutually create beloved community, as we grow into a wider circle of people who choose to live deeper, non-superficial lives....*

*...so the world we share might know greater justice, self-reflection, and wisdom, day by day.*
