

Dear Friend,

Thank you for helping First UU provide caring ministries, worship services, religious exploration, and so much more.

Our goal is to increase our pledge by 9% in order to move closer toward an equitable, justice-focused budget. (Cost per household is currently \$2,500.) If you can, please consider increasing your pledge to help us meet this goal! We also understand some may be unable to increase their pledge this year as everyone's life situation is different. All contributions are greatly appreciated and valuable towards reaching our goal!

Starting July 1, 2024 in support of shared ministry, I will make the following pledge of financial support:
